DOMINION PARTNERS, L.C.

“Dominion was referred to me by a friend after I had been approached by an interested buyer for Granite Source. After Dominion helped to determine that this buyer was unlikely to be successful, I engaged the firm to market the company. Dominion prepared a professional descriptive document and developed a well-researched and appropriately targeted universe of both strategic and financial buyers. They conducted a well-organized, highly competitive and confidential process that resulted in an attractive opportunity for me as well as my management team and employees. I have already recommended the firm to others seeking a liquidity event.”
