**DOMINION PARTNERS, L.C.**

“Together with my wife, we founded brij in 2004 and have grown it to become a significant player in the Oracle ERP market. In recent years, I have devoted an increasing amount of time to a youth mentoring charity that I established and as a result decided to sell the Company. I wanted an acquirer that, not only understood our business model, but valued my employees as I have. In Businesswise, we have that and I am excited about the growth opportunities presented by this combination. Dominion was valuable in guiding me through the process of evaluating buyers and negotiating a transaction that is mutually beneficial.”
